

About Us.

Pollywog was created to help local families find the resources that they need, and we have many wonderful partners who work with us:

Samaritan Health Services
Early Intervention
Oregon Dept. of Human Services
Kidco Head Start
Old Mill Center
Family Tree Relief Nursery
LBCC Parenting Education
Parenting Success Network
Strengthening Rural Families
Linn County Health Dept.
Benton County Health Dept.
Lincoln County Health & Human Services
WIC (Women, Infants, Children)
Early Learning Hub of LBL

...and many more!!

Being a parent is
the most important
job you will ever
have

www.pollywogfamily.org

We help families register for prenatal classes

Pollywog staff will contact you within three days of your request and help you to get registered for the classes that you want to take

We help families register for parenting classes

Pollywog staff will assist you in finding classes that are in your region, and meet your family needs

We help families find local resources from local agencies

Pollywog staff are familiar with local programs and services, and can help you to find just what you and your family need

What age groups do we work with?

Prenatal

Infants

Toddlers

Preschoolers

Kindergarteners

Prepared parents, grandparents, foster parents, and other caregivers create healthy families

What parents are saying:

Shirley B.,
Philomath, OR

"I highly recommend the classes for new moms. I learned so much!"

Judd E.,
Albany, OR

"Talking with other parents who have been there before made all the difference."

Pollywog serves families in Linn, Benton and Lincoln Counties, Oregon
