

Pollywog Partner Types

What kind of partnership works for you?

We work together to serve families, but every community agency is unique so Pollywog is designed to meet your organization's particular needs.

	Access to the Pollywog database to send referrals and receive requests for your services.
	Pollywog marketing materials to share with families, including brochures and wallet cards.
	Partner support including technical training, publications, meetings, 211 page help.
	Promotion of your organization, services, and events on Pollywog's social media and website.
